Healthy Lifestyles—a Web-based wellness program

Have you ever heard the expression “picture of health”? When it comes to good health, tobacco, obesity, stress, and poor diet don't really fit into the picture. That's where Healthy Lifestyles comes in.

Healthy Lifestyles is a Web-based incentive wellness program that helps transform unhealthy habits into positive ones by focusing on changing behavior.

Healthy Lifestyles offers help in making behavior changes in five key areas:

- Weight
- Diet and nutrition
- Physical inactivity
- Tobacco use
- Stress

Program features include: exercise, nutrition, kids and teen focused programs, integration with WebMd and MyHealth Assessment, health trackers, online health coaching, community support groups, condition specific healing centers, rewards for improvement and more!

Helpful online tools from Healthy Lifestyles may be accessed through www.FindAHealthierYou.com and include:

MyHealth assessments—allows employees to get a snapshot of their health and health risks

Web-based counseling—assists employees in quitting smoking and losing weight

Family support programs—offers engaging activities for kids and teens

Individualized planning tools—focuses on exercise, nutrition, and overall wellness

The Healthy Lifestyles programs are offered through an arrangement with Health Management Corporation (HMC) and administered by Healthways, Inc. © 2008 Healthways, Inc. All rights reserved.

Payment of the premium by the employer constitutes acceptance and agreement of the terms detailed in the group certificate and as outlined above.
